## Looking For A New Career? Gain Job Training, Skills At NCC

Automotive technician students, top, and healthcare students, bottom.

New classes for career technical training at New Community Workforce Development Center are starting soon on May 22, 2017! The Workforce Development Center is an accredited, post-secondary school that offers financial aid for eligible students. Classes provide both hands-on experience as well as classroom lessons for automotive technician, building trades, certified medical assistant, culinary arts and patient care technician. To apply online, visit [www.newcommunity.org](http://www.newcommunity.org) or follow the New Community Workforce Development Center's Facebook page. You can also visit Workforce at 274 South Orange Ave. in Newark or call 973-824-6484. Current Workforce students who refer other students that successfully enroll in a program are eligible to receive a gift card!
