NCC Promotes Mental, Behavior Health Services To Community

As part of Child Abuse Prevention Month in April, the Family Service Bureau of Newark participated in an exhibitor health fair hosted by the Statewide Parent Advocacy Network Inc. (SPAN). The event was hosted at the CityPlex 12 cinema in Newark and provided FSB staff an opportunity to share information and resources to community members about behavioral and mental health services offered by FSB to children, individuals and families. For more information about the Family Service Bureau, an affiliate of NCC with offices in Newark and Kearny, call 973-412-2056 or 201-246-8077. **Photo courtesy of Manuela Garcia.**
