Diesel Technician Training Program

Life-Changing Careers Are Here

New Community Career & Technical Institute

COURSE DESCRIPTION
♦ 1,100 program hours that teach students entry-level knowledge and skills to correctly test, diagnose, replace, repair and adjust diesel engines, electrical, charging, starting, lighting, brakes and steering suspension systems on trucks.
♦ The course includes a combination of theoretical concepts (classroom), hands-on training (shop), internship (experimental learning), and life skills/job readiness workshops.

PROGRAM REQUIREMENTS
♦ Must be at least 18 years old
♦ Have a high school diploma or equivalent
♦ Provide proof of citizenship
♦ Have a valid driver’s license or the ability to obtain a driver’s license

PROGRAM HOURS
Monday-Friday, 9 a.m.-3 p.m.

PROGRAM LOCATION
Training will take place at New Community Career & Technical Institute’s state-of-the-art Training Center, 210 West Bigelow Street, Newark, NJ 07108

KEY PROGRAM OUTCOMES
♦ Career pathways in an in-demand occupation
♦ Industry recognized credentials, including Automotive Service Excellence (ASE) certifications
♦ Connection to a host of employers

Financial aid is available for those who qualify!
