The NCCTI High School Equivalency (HSE) Program provides students with classroom learning at no cost to lead to a state issued high school diploma, as well as vocational training and entry level job placement assistance. The program aims to help each student advance at least one academic grade level and, ultimately, obtain a high school diploma and transition into a post-secondary institution.

SUBJECT AREAS OF INSTRUCTION
♦ Reading
♦ Writing
♦ Science
♦ Social Studies
♦ Mathematics

PROGRAM REQUIREMENTS
♦ All students must be 16 to 24 years of age
♦ Must provide proof of citizenship
